Hi Edie and Maureen,

I'm trying to schedule a conference call (see below).

On 9/25, from 1 – 2 p.m., both Ron and Cecilia are busy.

Are those busy times flexible, if I need to schedule the call at that time?

Please advise.

Thanks.

Subject: EPA Conference Call

Latonya,

Hope you are doing well this morning. In light of the recent news stories about new cases of elevated temperatures at the Westlake/Bridgeton Landfill, we would like to request another

conference call update for Congressional staff from EPA. We realize it has been awhile since we have had one of these and think it would be beneficial for us to be able to inform our constituents on what is occurring. We look forward to your response.

Thanks
